**PLAINTIFF'S MOTION IN LIMINE TO EXCLUDE EVIDENCE
OF PRIOR ARREST AND CONVICTIONS**

Plaintiff Walter Moore hereby moves this Court for an order excluding any and all evidence, references to evidence, testimony or argument relating to prior arrests and convictions of the plaintiff. The motion is based upon the ground that the probative value of the evidence is substantially outweighed by the danger of undue prejudice to the plaintiff.

BRIEF IN SUPPORT OF MOTION

This motion is based upon the records and files of this case including depositions and discovery materials.

The plaintiff was arrested and convicted of 1st degree murder in 1988. The case was reversed on appeal and subsequently dismissed. Such information although not relevant to the instant case would be detrimental to the plaintiff for obvious reasons and only serve to try to diminish the plaintiff in the eyes of the jury. There is absolutely no probative value in such evidence on any element of a claim or defense in this case.

The admission of evidence is subject to the sound discretion of this court and the plaintiff moves this court to exclude any and all evidence, references to evidence, testimony or argument relating to the plaintiff's prior arrest and conviction.
